Mission: Great Commission™ Curriculum

This notebooking packet has been designed for use with the ***Mission: Faith Forgers Curriculum,*** which provides an overview of church history in the midst of world history through modern times (along with fine arts, astronomy, and physical science). Explore the ongoing fulfillment of the Great Commission through our missions-focused curriculum that provides an open-and-go reading plan for an integrated study of social studies, science, scripture, history, geography, cultures, missions, hymns, and fine arts. Written for families with students in Grades 2-8 (and beyond), each program within our **Mission: Great Commission™ series** provides a full year of social studies, science, and fine arts with a focus on how God has worked through creation and through people who were willing to follow His call.

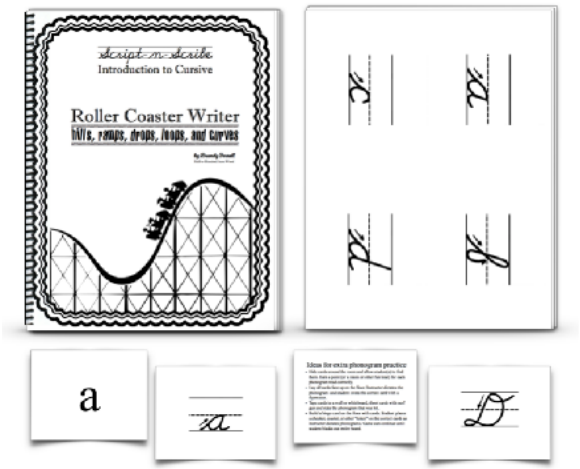
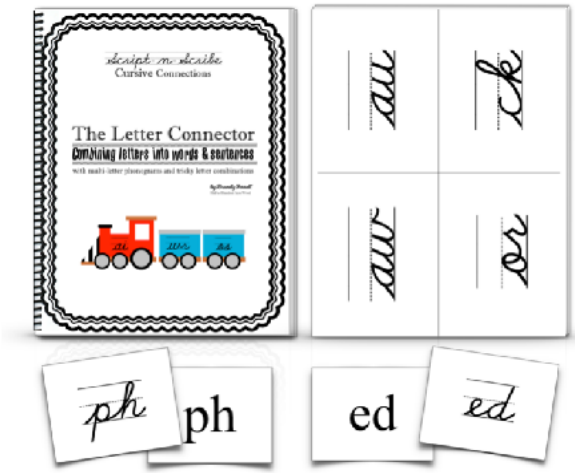
Teaching cursive handwriting?



Script-n-Scribe Roller Coaster Writer is an introductory program for learning phonograms by sight and dictation while also learning how to form cursive letters. It begins with large motor skills to help young children learn to write.

For connecting letters into words and sentences - and for practice with tricky letter combinations - take a look at ***Script-n-Scribe Letter Connector***. Read more about these products and view additional images and Montessori-style products on our website.



Mission: Great Commission™ Curriculum

Explore the ongoing fulfillment of the Great Commission through our missions-focused curriculum that explores social studies and science, integrating the study of scripture, history, geography, cultures, missions, hymns, and fine arts. Written for families with students in Grades 2-8 (and beyond), each program within our **Mission: Great Commission™ series** provides a full year of social studies, science, and fine arts with a focus on how God has worked through creation and through people who were willing to follow His call.
